ORDER NO.

2012-622

THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2012-203-E - Petition of South Carolina Electric & Gas Company for Updates and Revisions to Schedules Related to the Construction of a Nuclear Base Load Generation Facility at Jenkinsville, South Carolina - Discuss with the Commission the Motion to Reconsider Denial of Petition to Intervene Filed by Joseph Wojcicki.

COMMISSION ACTION:

The Commission denied Joseph Wojcicki's ("Mr. Joe") Petition to Intervene in this Docket by Order No. 2012-495 of July 13, 2012. He has now filed a Motion for Reconsideration.

SCE&G opposes the Motion for Reconsideration for two primary reasons --- the petitioner still fails to establish standing, and his motion was late.

I agree on both counts. Although Mr. Joe has cited to additional case law in his Motion, it still offers insufficient justification to support a finding of standing because he fails to show concrete and particularized injury imminently tied to the case at hand. Additionally, his Motion was submitted five days after his statutory time to file had lapsed.

Mr. Joe's other assertions of standing include reference to the Nuclear Regulatory Commission's 50 Mile Rule and the fact that he is a SCANA shareholder. As to these claims, the NRC's rules are an inapplicable standard for standing and we do not have the jurisdiction to address shareholder's issues.

For these reasons, I move that we deny Mr. Joe's Motion for Reconsideration.
